SUBMISSION OF APPLICATIONS

Applicants must obtain an applicant form from the Office of Admissions & Enrolment Management or print one from the University’s website. A non-refundable application fee of J$1,000.00 for Jamaican residents must be made paid at the Accounts Department before collection of application form or upon submission of application forms downloaded from the website. International applicants must submit US$40.00 in the form of a cheque or international money order with their application. The application form, receipt of payment (or cheque/international money order), and proof of qualifications must be submitted to an Admissions Representative.

FOR FURTHER INFORMATION ON THE APPLICATION PROCESS CONTACT:

Office of Admissions & Enrolment Management
University of Technology, Jamaica
237 Old Hope Road, Kingston 6.
(876) 927-1680-8

OTHER ADMISSIONS INFORMATION

Submitting certified documentary evidence

*Copies of academic, birth and marriage certificates must be submitted along with the completed application form. Passport & Drivers Licence may be submitted also. These copies must be certified and stamped only by a Minister of Religion, Justice of the Peace, Attorney-at-Law or Medical Practitioner. ORIGINAL DOCUMENTS SHOULD ONLY BE SUBMITTED UPON REQUEST BY THE UNIVERSITY. Documents that have been tampered with will not be accepted and the applicant will forfeit chances of admissions to the University. Applications and supporting documents must be returned to the Office of Admissions & Enrolment Management at 237 Old Hope Road, Kingston 6 or at our Western Campus, 17 Dome Street, Montego Bay, by **4:00 pm on January 31, 2014**

Transcripts from other tertiary institutions must also be submitted by the closing date for receipt of applications. It is not necessary to obtain a transcript from a secondary school. Forms not properly completed, without proof of processing fee (for applications submitted manually), or without supporting documentation will not be processed.
WHAT HAPPENS AFTER APPLICATION IS SUBMITTED?

Once you have completed and submitted your application form along with supporting documents, the Office of Admissions & Enrolment Management will send you an acknowledgement letter advising you that we have received your application and it is being processed. Depending on the course of study, you may be invited to attend an interview or sit an aptitude test.

This will vary depending on the course of study. If you are currently taking examinations, you may receive an offer conditional upon obtaining specific results.

GRADUATE APPLICANT CHECKLIST

- Application Form (Research Graduate applicant should complete application in duplicate)
- Certified copy of birth certificate
- Two (2) References in signed and sealed envelopes
- Certified copies of certificates/degrees
- Official Transcript of studies
- TRN card for number to be noted.
  (Passport for foreign nationals)
- Two certified passport sized pictures.
  (Signed by a Justice of the Peace OR Notary Public)
- Outline of proposed research (for research courses)
- Statement of purpose – 250 words (for taught courses)

Late Submission of Applications

Late applications will be considered if there is space in the course of study and the applicant is qualified. Applicants submitting late application should follow the normal procedure for submission of applications.

Under-Subscribed Courses of Study

The delivery of any course of study is dependent on a specific number of students registering at the commencement of the academic year. The University reserves the right to decide which courses of study are offered. For those that have to be cancelled, fees will be refunded in full.
FEES

Fees for taught graduate courses are calculated on a per credit basis. However, the University reserves the right to change fees and credits at any time and any quote given in the brochure is based on existing conditions, which may change and affect the cost of a programme. Prospective students should therefore clarify the fees before making any final financial arrangement.

Unless otherwise indicated the fees for research based degrees are as follows:

- M.Phils US$9,000
- Ph.Ds US$27,000

The fees quoted in this brochure are the existing fees “per school/department” for the Academic Year 2013/2014 (September 2013 – July 2014).

Fees for the Academic year 2014/2015 will not be available until April 2014. In the interim the existing fees quoted in booklet can form the basis for calculating the upcoming fees by adding an additional 10% increase on the existing rates.

Note:
1) Cost per credit for Exams is US$10.00
2) Cost per credit for courses of study are listed inside booklet
3) The minimum credit a student can take in any one semester is nine (9).

ACCEPTANCE

Regular applicants will be given a decision no later than May 31, 2014.

Each applicant who is offered a place at the University will be so advised by a letter from the Admissions Office. These applicants are required to pay a non-refundable enrolment commitment fee. This fee will be applied to the University fees upon enrolment. An applicant’s acceptance can only be confirmed if the Enrolment Commitment fee has been paid.

ACCOMMODATION

The Accommodation Unit assists students in finding suitable accommodation at an affordable cost.

DEFERRALS

Applicants offered admission to the University may request a deferral of their registration for a period of one year as stipulated in Regulation 3 by completing the College/Faculty Student Academic Affairs Committee (C/FSAAC) form.

Requests for deferral should be done in writing to the Registrar, Student Relations Unit and copied to Head of School/Department before the beginning of the instructional period in which the course of study would normally commence. Approval will be contingent on the payment of the commitment fee and the submission being made no later than five (5) weeks after the commencement of the instructional period.

Applicants who have been granted deferrals will be guaranteed places for the next academic year, in the course of study for which the original offer was made, only if there are no changes to the matriculation requirements. A new application will be required if there have been changes to the matriculation requirements.

Applicants will be contacted in writing by the Admissions & Enrolment Office two months prior to the expiry of the deferral period, to communicate enrolment information for the academic upcoming academic session.

Note: Applicants who were granted deferrals must complete the “Application for Readmission” form.

HIGHER DEGREES BY RESEARCH

The University offers the opportunity for individuals to pursue higher degrees by research based on specific interests. Research degrees are designed to foster explicit links between research and professional practice and development. A framework is provided where specific taught elements appropriate to graduate study are combined with a substantial piece of original research. Research students will be given the opportunity to work with individuals who are at the forefront in research in their field of interest.

For further information or an informal discussion of research opportunities available in a particular subject area please contact the:

School of Graduate Studies, Research and Entrepreneurship (SGSRE)

Scholarship is offered through a Graduate Research Scholarship Programme for recent top graduates to pursue graduate research degrees, and funding support is provided through Graduate Assistantships for candidates enrolled in taught graduate courses.

It is expected that students pursuing research degrees should be sponsored by an end user of the likely outcome of the research project.

**Graduate Research Scholarship Programme**

The Graduate Research Scholarship Programme makes allowances for the waiver of two MPhil and one PhD candidates’ tuition fees or three research candidates per College/Faculty. Candidates awarded the scholarship will be engaged as laboratory demonstrators, tutorial assistants and/or research assistants in their area of research focus in the College/Faculty in which they are pursuing graduate research.

**Graduate Assistantships**

A Graduate Assistantship is a temporary, junior academic appointment of a fixed-term involving responsibilities of assisting faculty in teaching, research and administrative services.

**Application procedure**

Candidates are nominated by their respective College/Faculty for both the Graduate Research Scholarship Programme and the Graduate Assistantships.

- **Graduate Research Scholarship Programme**
  Nominations should be submitted before July, 31 for the August intake and November 30 for January intake.

- **Graduate Assistantships**
  Nominations are accepted at the beginning of the academic year for the taught graduate course.

Additional information on these programmes can be obtained from the School of Graduate Studies, Research and Entrepreneurship or at:
